

SERIES 2

**ANEST
IWATA**

WS400 CLEAR

- Fixed airflow baffle eliminates movement and wear points
- Gasket-less dual-taper nozzle ensures a secure, leak-free fit
- Conical air cap reduces buildup and ensures spray consistency
- Low-resistance trigger allows for comfortable control and repeatable results
- Ergonomic design improves balance and reduces operator fatigue

pininfarina

**Celebrating 95 years
of excellence.**

95

Since 2009, Pininfarina's automotive design mastery and Anest Iwata's precision engineering have come together to create spray guns that perform as beautifully as they look. The partnership blends Italian aesthetics with Japanese craftsmanship, elevating the tools that help bring automotive visions to life.

Founded in 1930 by Battista "Pinin" Farina, Pininfarina has shaped luxury and iconic vehicles for 94 years, becoming one of the most influential names in automotive design.

Now, as Pininfarina celebrates its 95th anniversary, this long-standing collaboration reaches a new milestone with a first-ever limited-edition release—a fusion of professional performance and collectible design.

Each gun comes packaged in an exclusive collector's case and includes:

- Limited Edition Series 2 WS-400 Clearcoat gun with 1.3 nozzle size
- HVC Regulator
- 600 ml black cup
- Cleaning kit
