

GREAT FINISHES START ON A SOLID FOUNDATION

introducing the
**W-400-LV-WBX
PRIMER/SEALER
SPRAY GUN**

North American Exclusive

Developed specifically with a high-end, flawlessly finished primer/sealer coat in mind, the W-400-LV-WBX completes Anest Iwata's line of start to finish professional automotive refinishing solutions.

The easy to identify North American exclusive red air cap and precision engineered split nozzle combine to create a fast, smooth, even, flat finish.

The WBX operates at low air pressure while maintaining a wide fan pattern and excellent transfer efficiency; translating to less rework, which saves you time, materials, and ultimately money.

ORDERING INFORMATION

SEALER/SURFACER/SOLVENT NORTH AMERICAN EXCLUSIVE RED WITH REGULATOR

ITEM NO.	MODEL ID	NOZZLE MM
